

NS PARTNERS STRENGTHENS ITS PRESENCE IN ITALY

A leadership transition supporting continuity and long-term development

Geneva/Milan, xx June 2026 – **NS Partners, one of Switzerland's and Europe's leading independent wealth and asset management groups, announces an evolution in the governance of its Italian branch.**

As part of this transition, **Grégoire Notz**, Chairman of the Group and long-standing Partner, has assumed responsibility for the Italian Branch. With nearly three decades of experience across Wealth Management and Asset Management within NS Partners, he will help support the continued development of the business and reinforce the Group's presence in the Italian market.

At the same time, **Giorgio Rocca**, who has led NS Partners' Wealth Management activities in Italy for more than five years, is taking on additional responsibilities. Alongside his client-facing role, he will support the further development of NS Partners' activities in Italy and continue strengthening relationships with clients, partners and industry professionals.

NS Partners has maintained a long-standing presence in Italy and benefits from an experienced local team with recognised expertise in independent wealth management. This evolution reflects the firm's commitment to continuity and reinforces its long-term ambitions in a strategic market.

« Italy is an important market for NS Partners and a key part of our long-term development strategy. Together with Giorgio and the local team, we will continue to serve our clients with the independence, expertise and proximity that define our approach. » **Grégoire Notz**, Chairman and Head of the Italian Branch, NS Partners Europe SA.

In Italy, NS Partners provides wealth management and advisory services to private and institutional clients through an independent, conflict-free model. The firm's approach combines rigorous investment selection, a long-term perspective and highly personalised solutions tailored to each client's needs.
